

## **House Health Care Reform Bill Available on GPO's Federal Digital System**

As lawmakers and Americans discuss health care reform, The U.S. Government Printing Office (GPO) has made available H.R. 3200, America's Affordable Health Choices Act of 2009, in electronic and printed form. The bill was approved by the U.S. House of Representatives' Committee on Energy and Commerce. The authentic, electronic version is available on GPO's Federal Digital System (FDsys), named by Government Computer News as one of the Government's best Web sites. GPO authenticated the document by digital signature. This signature assures the public that the document has not been changed or altered. A digital signature, viewed through the GPO Seal of Authenticity, verifies the document's integrity and authenticity.
